

Hospital Auxiliary Prayer

Bless, we pray Thee, our endeavors in those Hospitals in which we strive to bring comfort and hope to all who are in distress of mind and body.

Guide us so that we may use the privilege given us to help the aged, the ill, and the very young with generosity, with discretion and with gentleness.

Give us the strength to labor diligently, the courage to think and speak with clarity and conviction but without prejudice or pride.

Grant us, we beseech Thee, both wisdom and humility in directing our united efforts to do for others as Thou would have us do.

Amen.
