## Specialty Programs

### *We are proud to offer specialty rehabilitation programs.*

#### **Getting Started is easy!**

Simply make an appointment with your doctor to talk about your concerns.

Your doctor will provide a referral to be evaluated by one of our talented therapists.

Your therapist will work with you and your doctor as part of a team to develop an individualized care plan designed to manage your symptoms and optimize your recovery.

*Contact the Rehabilitation Department directly with additional questions at (541) 271-6318.*
